

46TH INTERNATIONAL EXHIBITION OF INVENTIONS GENEVA

Under the patronage of the Swiss Federal
Government, of the State, the City of Geneva
and of the World Intellectual Property
Organization WIPO

11-15 APRIL 2018, PALEXPO

INVENTIONS-GENEVA.CH

GENEVA THE HUB OF THE WORLD

Geneva is unique: a business and finance center, an international marketplace for goods, inventions, ideas and cultures, seat of the United Nations in Geneva, of the World Intellectual Property Organization (WIPO), of 300 international organizations and of 931 multinationals, this city is where one half of the world meets the other.

Its constant growth is due to powerful men of action, who command money and businesses. It is an international economic crossroads, a meeting-place for philosophers, scientists, economists and entrepreneurs.

NEW INVENTIONS, SERVICES AND VISITORS FROM ALL OVER THE WORLD

The International Exhibition of Inventions of Geneva is the biggest event in the world to be exclusively devoted to inventions. All the novelties at this exhibition can only be shown here once.

Industrial and commercial companies, universities, inventors and researchers, associations, private and state organisms and institutes, present their inventions, the results of their research and their new products.

Manufacturers, commercial agents and financiers will find 1000 absolute novelties ready to be marketed in the following fields:

Energy - Environmental Protection | Computer Sciences | General Engineering | Industrial Processes | Watchmaking | Electricity | Electronics | Building, Construction and Civil Engineering | Carpentry | Plumbing | Ventilation | Heating | Safety and Security Equipment | Ironware | Domestic appliances | Commercial and Industrial Equipment | Agriculture | Gardening | Textiles | Medicine and Hygiene | Optical Equipment | Teaching Aids | Transportation | Cars | Foodstuffs | Cosmetics | Health | Sports | Leisure | Practical Novelties | Publicity | Packaging | Toys and Games.
