To do so quickly, you need fruitful contacts with **financial, industrial and commercial partners.**

In order to meet just these people, we invite you to exhibit at the 46<sup>th</sup> INTERNATIONAL EXHIBITION OF INVENTIONS OF GENEVA, which is to take place from the 11<sup>th</sup> April to the 15<sup>th</sup> April 2018.

It enjoys the patronage of the World Organization for Intellectual Property – WIPO, of the Swiss federal government, and of the State and the City of Geneva.

Recognized as **the world's most important market-place for inventions**, this exhibition, at which stands are located by country, is the ideal place to promote your inventions.

The Geneva Exhibition means more than 700 exhibitors from 45 countries - inventions, all exhibited for the first time here, presented by companies, inventors, universities, private and State institutes and organizations – more than 30'000 visitors from all five continents - professionals who come to "talk business" - meetings with 650 journalists from both the written and spoken press and television from throughout the world.
